Profile

Motivated IT Support Specialist and Front-End Developer with over five years of experience in IT support and a strong foundation in front-end technologies, including HTML, CSS, JavaScript, Bootstrap, Tailwind CSS and React.js (basic). Known for delivering effective technical solutions, a user-centred design approach, and creating responsive web applications. Seeking opportunities to leverage my skills in IT support and web development to enhance digital experiences and contribute to organisational growth.

Education

Federal University of Agriculture, Abeokuta (FUNAAB) - [website](#)

B.Sc. in Physics, Graduated 2023.

- ❖ Relevant Coursework: Geophysics, Health Physics, Classical & Quantum Mechanics, Remote Sensing & Electromagnetism, Computer Science, C++ Programming, Data Structures, Web Development.

HiiT Plc - [website](#)

Diploma in Web Design (Distinction), Graduated 2024.

- ❖ Specialized in Front-End Development, with proficiency in HTML, CSS, JavaScript and React.js, Tailwind CSS & Bootstrap.

Work Experience
