Profile

Motivated IT Support Specialist and Front-End Developer with 5+ years of experience in IT support and a strong proficiency in front-end technologies (HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, React.js). Known for delivering effective technical solutions, user-centered designs and creating responsive web applications. Seeking roles to leverage skills in IT support and web development for digital enhancement and organizational growth.

Education

Federal University of Agriculture, Abeokuta (FUNAAB), Ogun State.

B.Sc. in Physics, Graduated March 2023

❖ **Relevant Course Work:** Geophysics, Health Physics, Quantum Mechanics, Remote Sensing, Computer Science, C++ Programming, Algorithm & Data Structures.

HiiT PLC Ikeja, Lagos State

Diploma in Web Design (Distinction), Graduated January 2024

❖ **Area of Specialization:** Front-End Development. Proficiency in HTML, CSS, JavaScript, React.js (basic), Tailwind CSS & Bootstrap with experience in creating dynamic, responsive web applications.

Victorroti Private Secondary School, Abeokuta, Ogun State.

Science Department, Graduated 2016

❖ **O'Level Qualification:** *West African Senior School Certificate Examination (WASSCE).*

Work Experience

National Youth Service Corps (NYSC)

Company: *HiiT Plc. Ikeja, Lagos State, August 2023 – August 2024*

- ❖ Acquired practical skills in web development.
- ❖ Completed mandatory national service focused on community development.
- ❖ Collaborated on community projects, fostering teamwork and leadership.

IT Support Specialist

Company: *Murphylog Global Concept, Full-time | March 2019 – Present*

- Provided technical support and resolved hardware/software issues efficiently.
- ❖ Maintained and troubleshoot network systems to enhance performance.
- ❖ Collaborated with team members to improve service delivery and user satisfaction.

Web Developer (Front-End)

Freelance | 2023 - Present

- ❖ Specialized in front-end development with a focus on HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, and React JS.
- ❖ Designed and developed dynamic, responsive websites ensuring excellent user experience across various devices.
- ❖ Collaborated with clients to translate their requirements into fully functional web applications.

Industrial Training (SIWES Program)

Federal Medical Centre Abeokuta (FMCA), May 2021 – October 2021

- ❖ Gained hands-on experience in equipment maintenance, troubleshooting, and calibration across Biomedical Unit, Works, Electrical/Electronics Engineering, Dialysis and Radiology departments.
- ❖ Worked with skilled engineers to support IT systems for medical devices, ensuring optimal functionality, conducting data analysis, and enhancing equipment performance and safety protocols.

Volunteer Experience

Field Assistant (Geologic Services)

Oasis Geoservices, March 2022 – March 2024

- ❖ Conducted field support, managing data collection and analysis for geological projects.
- ❖ Maintained and troubleshoot geophysical equipment for groundwater exploration.
- ❖ Contributed to project accuracy through effective data acquisition and reporting.

Skills

- ❖ **IT Support Specialist:** Technical Support, System Maintenance, User Training & Support, Documentation & Reporting.
- ❖ **Front-End Development:** HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, React.js (basic).
- ❖ **Additional skills:** Strategic Thinking, Effective Communication, Problem Solving, Teamwork and Collaboration.

Projects

- ❖ I developed a personal portfolio showcasing front-end projects using HTML, CSS, JavaScript, Tailwind CSS, Bootstrap, and React JS (basic) for a responsive user experience.
